nidi

Disegniamo spazi da vivere in libertà. Immaginiamo la stanza di bambine e bambini come un mondo colorato costruito attorno alle loro esigenze, la camera di ragazze e ragazzi come una casa nella casa dove vivere esperienze, condividere emozioni e diventare indipendenti.
Ci piace pensare che ogni stanza sia un racconto, dove i colori sono ispirati alla natura e i complementi, gli accessori, le carte da parati, tessuti e stickers danno ritmo, carattere e personalità alla narrazione.

We design spaces that play by your rules. We picture the kids' room as a colourful world built around their needs, your teenager's bedroom as a home within the home, a place where they can experience things, share emotions and become independent. We like to think of each room as a story, where colours take their inspiration from nature, a story punctuated by complements, accessories, wallpaper, fabrics and stickers that all add character and personality to the narrative.

4/7 YEARS

L'infanzia è il regno dei sogni: la camera è un luogo dove giocare, imparare ed esplorare. Tutti gli arredi sono scelti per rendere ogni stanza il miglior ambiente possibile dove crescere.

Early childhood is the realm of dreams: the bedroom is a place for kids to play, learn and explore. Every piece of furniture is chosen to ensure each room is the best possible place for them to grow.

Crescere significa avere nuove esigenze. Leggere, fare i compiti, giocare con gli amici e dedicarsi a quelle piccole passioni che, a poco a poco, prendono una forma sempre più definita.

Growing up means having new needs. Reading, doing homework, playing with friends and spending time on those little passions that gradually take a more defined shape.

13/16 YEARS

Sentirsi grandi e volerlo dimostrare: da piccolo parco giochi, la camera diventa uno spazio in cui dormire, studiare, scoprire, sperimentare, condividere... e iniziare a progettare in grande.

Feeling all grown up and wanting to show it: the bedroom is no longer a little playground, morphing instead into a space for sleeping, studying, discovering, experimenting, sharing... and starting to plan big.
